THEME: I WILL FOLLOW
DAY BY DAY CHOICE BY CHOICE

“Then he said to the crowd, “if any of you wants to be my follower, you must give up your own way, take up your cross daily, and follow me. If you try to hang on to your life, you will lose it. But if you give up your life for my sake, you will save it.”

LUKE 9:23-24

DO'S AND DON'T'S

- SWAPS should be handmade and reflect something about person making them.
- SWAPS can be theme related to POWETTE, club, or Bible. (Don't limit yourself to just these suggestions.)
- Keep them inexpensive but something you would want to trade.
- SWAPS can be pins or bracelets.
- The size should be about 1-2 inches.
- Make a few extra. There might be someone who doesn't have a pin to swap.
- There are two types of SWAPS; ones you keep and ones your trade.
- The swaps you want to trade can be placed on your shirt, in a zip-lock bag, a box, or on a ribbon; whatever is easiest for carrying.
- The SWAPS you want to keep can be put on a SWAP hat/bandana/lanyard. Girls/Sponsors can put their entire “keeper” SWAPS on their hat/bandana as soon as they decide which ones to keep.
- One should never say “no” to a trade, even if you already have one similar or don't like it. Politely trade it and say thank you, remember Ephesians 4:32. (The exceptions are your “keeper” SWAPS on your hat/bandana.)

MISSIONS PROJECT *2026*

CONVOY OF HOPE WOMEN'S EMPOWERMENT PROGRAM

When women participate in the Convoy of Hope Women's Empowerment program, the cycle of poverty is broken. With your help, Convoy partners with women as they start their own businesses and support their families. Empowering women and girls to advocate for themselves creates opportunities that last for generations.

Girls Empowerment groups are educational programs that help girls identify and strengthen their voice - both individually and collectively.

In this program, girls learn about self-esteem, positive decision-making, nutrition, physical and emotional health, menstrual health, gender-based violence, and harmful beliefs and practices. This education helps them plan for their futures.
